

JAMES R. HOFFA MEMORIAL SCHOLARSHIP FUND

MEMORANDUM

To: All Teamster Local Unions

From: The James R. Hoffa Memorial Scholarship Fund

Re: Reminder of deadline for scholarship applications

Date: February 23, 2018

Earlier this year, materials were sent to each local union about the application procedure for the James R. Hoffa Memorial Scholarship Fund. To accommodate the increased number of applications, the Fund decided to have ISTS administer the application process this year. The ISTS system is completely on-line and can be reached through the Fund's website: www.jrhmsf.org

The Fund will be awarding academic scholarships to high school seniors who are planning to attend a four-year college or university and who are the sons, daughters or financial dependents of Teamster members. The academic awards range from \$1,000 to \$10,000.

The Fund is also accepting applications for Training and Vocational Program scholarships. These range from \$500 to \$2,000 and will be awarded to the sons, daughters or financial dependents of Teamster members who plan to attend an accredited training or vocational non-baccalaureate program at a community college or other training institution. Programs must be related to a Teamster-represented industry, class or craft. (Exact application procedures are outlined in the application on our website, www.jrhmsf.org)

The deadline for all applications is March 31, 2018. If you have additional questions, please see the Fund website at www.jrhmsf.org and view the Frequently Asked Questions section.
