

**JAMES R. HOFFA**  
**MEMORIAL SCHOLARSHIP FUND**

TO: All Teamster Affiliates

November 22, 2021

First, we want to thank you all for your generous support for the James R. Hoffa Memorial Scholarship Fund. Hundreds of Teamster families have benefitted due to the awards to their sons, daughters and financial dependents. This year, the Fund awarded \$1.2 million in academic and vocational/training program scholarships and now we are preparing for 2022.

Enclosed are some posters for the 2022 Academic and Training/Vocational Scholarship Program. We encourage you to have these placed in your worksites. We will open up the application process on November 30, on our website: [www.jrhmsf.org](http://www.jrhmsf.org). The website has the complete application procedure and submissions of applications will be due March 1, 2022.

Please refer high school seniors who are the sons, daughters or financial dependents of Teamster members (including GCC, BLET and BMWED members) to our website: [www.jrhmsf.org](http://www.jrhmsf.org). The website has valuable information about the scholarships and the procedure for applying.

Thank you for your continued support of the James R. Hoffa Memorial Scholarship Fund.

Sincerely,

The Board of Directors
